Dear **Jessy Theo Rahman**

It is great pleasure to invite you for JIEAF 2019.

Hello, I am Baek Ki Kim, the Art director for JIEAF(Jeju International Experimental Art Festival).

This year, as we host 18<sup>th</sup> JIEAF, is expected to be held on the 9<sup>th</sup> of October until the 20<sup>th</sup> of October.

The keyword for this year theme revolves around 'ecology', 'environment', and 'nature'.

Jeju Island, promoted by UNESCO Crowned in three areas of nature (preserved area for biodiversity, the world nature heritage, and the world geographic park).

Unfortunately, the beauty of Jeju Island's nature has been damaged and destroyed

due to impulsive industrial and economic developments brought by outsiders within past few years.

We, JIEAF, would like to continue ecological art projects in a cooperation with UNESCO,

expanding out our projects and journey to different places around the world. We sincerely hope

to appreciate and nurture Earth together with fellow artists like you.

Thank you!!
